

## Russische und ukrainische Quellen, Adressen in den Sozialen Medien und Statements

Die Russische KDV-Bewegung hat russische Statements gegen den Krieg gesammelt. Sie stammen von bekannten Persönlichkeiten, Bewegungen, Berufsgruppen und offenen Petitionen.

Die Liste ist auf Russisch und Englisch und wird geupdated

Feminist Antiwar Resistance has received some attention and is definitely worth highlighting <https://jacobinmag.com/2022/02/russian-feminist-antiwar-resistance-ukraine-putin>

There are groups in Telegram through which you can follow the activities of anti-war activists in Russia (in Russian):

I also try to highlight Russian activism <https://twitter.com/noresvuo/>

By the way, this is apparently the action by the Food Not Bombs group in Moscow <https://twitter.com/ASLuhn/status/1497944821679501313>

There is a piece of news about conscripts being sent to war, although Russia should only use contract soldiers for my knowledge! <https://takiedela.ru/news/2022/02/24/komitet-soldatskikh-materey/>
